

# Career Boost Fact Sheet

Under Career Boost, a student may access either:

- One subsidised training place in either a certificate IV, diploma or advanced diploma qualification under the general training pathway.

or

- A higher level apprenticeship/traineeship in a certificate IV or above.

In addition, under Career Boost, students may access 2 subsidised skill sets in priority industries or sectors.

If the student has already accessed 2 apprenticeships/traineeships through a school-based apprenticeship or traineeship (SAT) or Career Start within the last 10 years, they are not eligible to undertake a third apprenticeship/traineeship under Career Boost.

A student cannot do 2 general training pathway qualifications under Career Boost.

## Delivery Locations

- **Gold Coast**
- **Toowoomba**
- **Townsville**

## Delivery Mode/s

- **On-line**
- **Face 2 face**
- **Blended**

**Eligibility Criteria**

The Career BOOST - General Training Pathway has the following eligibility requirements:

- no longer in school.
- aged 15 years or older.
- a permanent resident of QLD.
- an Australian or New Zealand citizen, or an Australian permanent resident, or holds an eligible visa.
- not concurrently be enrolled in another DTET funded Qualification, even if it is on hold or deferred (foundation skills qualifications and self-funded/fee-for-service qualifications do not impact eligibility) *Note: This eligibility requirement does not apply to individuals seeking to enrol in a skill set.
- Does not hold a Certificate IV or higher qualification (including a tertiary qualification) completed within the last 10 years*. (qualifications started as a school student, and foundation skills qualifications do not count).

Along with the eligibility criteria above, specific entry requirements or exemptions may apply to certain subsidised qualifications and skill sets. These are set by industry or sector requirements, as well as national training package guidelines. This may include student eligibility restrictions such as employment in industry, possession of a Certificate III level qualification in the same Training Package or other exemptions as determined by DTET.
