

VET in Schools Fact Sheet

VET in Schools (VETiS) offers either a general training pathway or a school based apprenticeship/traineeship (SAT) pathway. VETiS students are not supported to undertake more than one Department of Trade, Employment and Training (DTET) funded qualification at the same time.

However, they can do one DTET funded qualification, fee-for-service qualification and qualification delivered by their school at the same time. There is no DTET requirement for a student to do a certificate I or II before they do a school-based apprenticeship or traineeship.

Training Timeline
Variable, depending on the qualification selected and is usually 6 – 12 months duration depending on the delivery mode selected and the qualification. Refer to our course information on our website www.aurora.edu.au for further information

Assessment Method
Aurora Training Institute uses a variety of assessment methods in our qualifications, including but not limited to: Multiple Choice, Short Answer Questions, Projects, Simulations, Oral Questioning, Role Plays, On-the-job Observations, Workplace Evidence.

Course Price
School students do not have to pay any student or co-contribution fees for the VETiS 2026 and 2027 program. The Queensland Government covers the cost by paying the Skills Assure Supplier so students can do the training for free.

When a SAT converts to a full-time or part-time apprenticeship or traineeship, co-contribution fees must be charged for training and assessment for any units of competency not yet commenced. This does not apply to qualifications funded under Free Apprenticeships for under 25s.

Successful Completion Requirements
To successfully complete this qualification the student must be deemed competent in all units of competency in the enrolled qualification, within the required timeframe, and meet any additional requirements of the industry qualification selected. Some qualifications require completion of live work, vocational placement, logbook hours and/or possession of industry checks such as Blue Card, mandatory training, police checks, vaccinations, etc. These are listed in the relevant course information pages on our website www.aurora.edu.au

Student Support
Refer to our website for Student Support options available (https://aurora.edu.au/students-resources/).

Student Eligibility Restrictions and/or Exemptions
Students must meet the Career Start eligibility requirements as outlined by the Department of Trade, Employment and Training (https://dtet.qld.gov.au/) and qualification requirements located on https://training.gov.au/
