Vocational Education and Training in Schools (VETiS) Program

The VETiS program is funded by the Queensland Government to give eligible students funding to complete a Certificate I or II level qualification while attending secondary school.

VETiS qualifications can be undertaken in years 10, 11 and 12, and may provide credit towards the Queensland Certificate of Education.

Aurora Training Institute is a Skills Assure supplier under this program for the delivery of this Certificate II qualification.

As students can only access the VET in Schools subsidy once, it is important that you consider and compare your training options to ensure they align with your chosen career pathway.

Every student that completes or discontinues a VET in Schools course must complete a Student Training and Employment Survey within 3 months.
