## Eligibility criteria

In accordance with the **School Based Apprenticeships and Traineeships Student Eligibility Policy**, to be eligible for subsidised training under SBAT Program, a student must:

- (b) be registered as a NSW School Based Apprentice or Trainee \*
- (c) have the qualification shown on their Training Contract.

The apprentice and trainee eligibility requirements for this Initiative can be found in the Smart and Skilled Eligibility Policy and the Smart and Skilled Fee Administration Policy.

## Additional Fees

School based apprenticeships and traineeships are unlikely to pay any additional fees if they are eligible to study under NSW funding initiative.

Aurora Training Institute might charge additional fees in the following instances:

1. Incidental expenses (i.e., Goods which are purchased and provided to the student, to support the training – tool kits, knives)
2. Additional Training – where a student requests additional units of competency to be delivered that are over and above what is required under the training package rules to achieve the qualification.

### **Fee for Service payments**

Students who sign up Fee for Service with Aurora and pay using PayWay will be charged a \$20 fee for any payment that is dishonoured or bounced back.

## **WITHDRAWAL PROCEDURE**

---

### **Withdrawal without penalty for School Based Apprenticeship and Traineeship**

School Based Apprentices and Trainees who are enrolled with Aurora Training Institute under the NSW funded initiative and seeking to withdraw from a course will not be charged any withdrawal fees.

#### **What happens if I decide to withdraw from a qualification?**

1. Students are required to provide written advice via email to: [admin@aurora.edu.au](mailto:admin@aurora.edu.au) on withdrawal of enrolment
2. Students will be provided with a statement of attainment for any units of competency which were successfully completed.

### **Withdrawal Procedure for VET STUDENT LOANS (VSL) Students**

#### **How do I withdraw?**

Students seeking to withdraw from a VET course or VET unit of study without incurring a VSL debt, must complete the formal Withdrawal Application Form for every unit of study the student wants to withdraw from by the census date, including any units for future study periods.

Withdrawal must be made in writing and submitted to Student Services in time for it to be delivered and processed by the census date.

Students should keep a copy of the withdrawal documentation as confirmation that the correct procedure was completed.

Contact Aurora Training Institute to ensure you withdraw your enrolment by the census date and in accordance with the required procedures to avoid incurring the cost or debt of the unit.

#### **What happens if I withdraw from a unit?**

- a. **Before the census date**

Students that lodge their Withdrawal Application Form on or before the census date for that unit of study will be granted a withdrawal without penalty. 100% tuition fees paid for that unit will be refunded and no VSL debt is incurred.

**b. After the census date**

Students that lodge their Withdrawal Application Form after the census date for that unit of study are still liable to pay the tuition fees of that unit of study and will incur a VSL debt, regardless of whether the student attended any classes or handed in any assessment items.

Students who withdrew from the unit of study after the census date because of serious illness or other special circumstances, can apply to Aurora Training Institute to have their FEE-HELP balance re-credited and VSL debt removed. Contact Aurora Training Institute directly for information on the application process. (See Special Circumstances below).

**When a student fails a unit of study**

A student still has to pay the debt if they fail a unit of study, regardless of whether they attended any classes. They are also required to pay for that unit a second time if they choose to enrol in it again. If special circumstances apply (see below), the student may apply to Aurora Training Institute for their FEE-HELP balance to be re-credited, or their VSL debt to be removed.

**Special Circumstances**

Special Circumstances, covering a range of unexpected, extenuating and compassionate circumstances, are those which were outside the control of the student and/or for which there was no opportunity to prepare in advance.

For Aurora Training Institute to be satisfied that special circumstances apply to you, you must be able to prove that the circumstances:

- Were beyond your control.
- Did not make their full impact on you until on or after the census date, and
- Made it impracticable for you to complete your unit(s) of study.

Documentary evidence will be required to support your claim for Special Circumstances, and decisions will be made on an individual basis.

If Aurora Training Institute makes the decision not to re-credit a student's FEE-HELP balance, the student then has the right to apply for a review of the decision.

Students need to submit their application for special circumstances to Aurora Training Institute within 12 months of the withdrawal day.

For more information, refer to the Refund Policy below.

## LANGUAGE, LITERACY AND NUMERACY (LLN) SUPPORT

Students may be assessed to ascertain if their Literacy and Numeracy skills are sufficient to successfully undertake the training program. This is usually via interview or completion of an exercise contained in the proposed training program.

### Foundation Skills

Students complete a Pre-Training Assessment tool and from this we establish the student's specific needs and requirements. Once the required units are completed or students feel confident enough, students will be able to progress into a Certificate III qualification.

Individuals may wish to seek additional help with their literacy and numeracy and can access information about their nearest LLN provider by calling The Reading Writing Hotline on 1300 655 506 or refer to their website at <https://www.readingwritinghotline.edu.au/>. Any costs incurred will be the responsibility of the student.

## FLEXIBLE LEARNING AND ASSESSMENT

---

### Competency Based Training and Assessment

Competency-based training (CBT) is an approach to vocational education and training that places emphasis on what a person can do in the workplace rather than what they know because of completing a program of training.

Competency-based training programs are made up of units broken into segments which are called elements. These are based on standards set by industry, and assessments are designed to ensure each student has achieved all the elements (skills and knowledge) required by each unit in order to gain their course qualification. Each course is made up of the required number of core units and elective subjects which have been chosen to offer you the best all round knowledge and skills base.

Assessment methods are detailed in the Training and Assessment Strategy (TAS) for each course. Aurora Training Institute applies the principles of validity, reliability, fairness, and flexibility in all assessments.

The objective of assessment is for the student to show that they have achieved competency in the unit(s). Students may be assessed by one or more of the following methods.

- Observation
- Oral questioning
- Case study
- Multiple choice
- Written short answers.
- Project
- Or any other method outlined in the Training and Assessment Strategy (TAS).

Students will be advised of the assessment methodology before training commences.

### Training and Assessment Standards

Aurora Training Institute staff are appropriately qualified and experienced to deliver the training and assessment offered. Assessments will meet national assessment principles including recognition of prior learning and credit transfer. Sufficient training materials and physical resources will be provided to you for you to achieve the learning outcomes of the training program. Appeals procedures are in place for students who are not satisfied with assessment or training.

### Flexible Learning

Aurora Training Institute provides students with learning flexibility by taking their personal situations into consideration so as:

- a. To maximise learning outcomes, and
- b. To optimise access to learning activities.

Regardless of any flexible arrangements agreed to the course assessment standards and requirements.

Structured training may be conducted in a classroom, in the workplace, online or a mix of all methods; it may be delivered in various modes including face to face interaction, online interaction, or correspondence.

Students should initially discuss possible flexible arrangements with their trainer. If the desired change is deemed feasible, authorisation should then be obtained from the Chief Executive Officer.

## ASSESSMENT POLICY

Aurora Training Institute is committed to developing and providing assessment tools of the highest quality to ensure qualification outcomes are met for both our students and that comply with AQF requirements. To this end, Aurora will ensure that:

1. Assessments are developed and implemented in consultation with industry and RTO partners.
2. Assessments address the elements, performance criteria, performance evidence, knowledge evidence and assessment conditions as outlined in unit of competency.
3. Assessments offer a variety of assessment methods to ensure that all students have the opportunity to demonstrate their competence.
4. Assessments adhere to the:
  - a. Principles of assessment
  - b. Rules of evidence
  - c. Dimensions of competency
5. Assessment tools are moderated and validated on a scheduled basis as part of an internal audit process and in line with the Standards for RTOs 2015.
6. Students receive full and detailed instructions on the requirements of each assessment, prior to commencement.
7. In the event of a 'not yet competent' outcome, the student will have an opportunity to re-attempt the assessments for the unit of competency at no cost. The student will have a total of three (3) reattempts of assessment at no cost.

7.1 When all reattempts of assessment(s) have been exhausted and the student still does not meet the necessary criteria for competency, an assigned trainer has the discretion to allow further attempts of assessment or the student is required to re-enrolled into the unit of competency. Should a student not agree with the outcome of an assessment the appeals procedure must be followed.

8. For students who are enrolled into Diploma Courses all assessments must be submitted prior to the completion date of the block (unit of study). It is strongly recommended that all assessments are submitted at least four (4) weeks prior to the completion date allowing for trainer feedback and a re-submission if required. Note: only 1 re-submission is allowed and must be submitted prior to the nominated completion date.

### Apprenticeships and Traineeships

At the commencement of an apprenticeship or traineeship, the apprentice/trainee is provided with a training plan which outlines where, when and how the training is to take place. The training plan is reviewed on a six-monthly basis.

## RECOGNITION OF PRIOR LEARNING (RPL)

---

### Recognition of Other Qualifications/Credit Transfer

Aurora Training Institute recognises Australian Qualification Framework Qualifications and Statements of Attainment which are issued by any other Registered Training Organisations.

Students may be entitled to a credit transfer in the following circumstances:

- Completed units of competency from a relevant National Training Package.
- Approved units of competence from a National Training Provider.
- Successful RPL application.

### Recognised Prior Learning (RPL)

Students who have completed appropriate training or who, through prior learning and experience, have gained the required skills/competencies stipulated for the modules of the course may be granted credit upon substantiation of that claim. Students who believe this applies to them, may make an application for RPL.

Aurora Training Institute advises all applicants of RPL opportunities and procedures upon enrolment. The 'performance criteria' of the course module sets the RPL benchmark and evidence for credit of prior learning may include:

- Evidence of current competencies
- Performance, demonstration or skills tests
- Workplace or other pertinent observation
- Oral presentation
- Portfolio, logbook, task book, projects or assignments
- Written presentation
- Interview
- Simulations

There are several stages in the RPL process. These include:

- Information stage
- Initial support and counselling stage
- Application stage
- Assessment stage
- Post assessment guidance stage
- Certification stage

A candidate may appeal and unsuccessful claim (see complaints and appeals).

Suitable, qualified, and experienced Aurora Training Institute staff will manage the RPL process. A candidate may receive recognition for all competencies required for the course module, or recognition of high standing. High standing recognition indicates that some but not all competencies for the course module have been attained.

Evidence considered for assessment is the RPL application form plus a wide range of supporting documentation or other evidence. Initial assessments are conducted with candidates self-assessing against the learning outcomes of the modules.

Assessments are evaluated by the Chief Executive Officer or a panel consisting of a course/subject expert and the Chief Executive Officer.

If further evidence is required, then this is negotiated with the candidate. The process may take any practical form consistent with the assessment criteria for the claimed competencies and the principles of validity, reliability, fairness and flexibility. It may include a further interview, written assignment, workplace assessment or collection of other material. A qualified assessor must conduct the assessment.

The RPL applicant is advised promptly of the RPL outcome. If the application is not successful, the reasons are given and unsuccessful applicants are advised of the appeal mechanisms. 'Top up' learning options or 'Gap Training' prior to a second assessment will be suggested. 'Competent' is recorded on the student's record if recognition is granted.

## **Complaints and Appeals Procedures (Academic and Non-Academic)**

- 1.1 If a student wishes to lodge a complaint, they should raise their concerns with the party or parties concerned as soon as possible.
- 1.2 The staff member who receives the complaint should determine, as far as possible, what the complainant wants to achieve: they may wish, for example, simply want to have their point of view heard; or they may wish to take the complaint further.
- 1.3 If the student feels unable to approach the individual/s concerned directly or are not satisfied with the initial response to their grievance, they should then take their complaint to the next, more formal level.

### **Stage 2: Formal complaint or grievance**

- 2.1 Where an informal complaint cannot be resolved, the student must bring the matter to the attention of:
  - Their trainer, or
  - The Aurora administration staff, or
  - The Aurora training manager

  - b. Submit the form to Aurora Training Institute via the contact email or postal address provided on the form.
- 2.3 Aurora will acknowledge receipt of the complaint within two business days.

### **Stage 3: Internal review**

Investigation of the complaint or grievance

- 3.1 Upon receiving the student’s completed Student Complaint Form Aurora staff will investigate the student’s claim.
- 3.2 The initial investigation will conclude with a recommended course of action that specifically addresses the grievance within five (5) working days of receipt of the complaint.
- 3.3 Where necessary a meeting between complainant and any other stakeholders involved will be arranged to endeavour to resolve the matter.
- 3.4 Where such a meeting takes place, Aurora Training Institute agrees that the complainant may be accompanied and assisted by a third party.
- 3.5 Where the matter cannot be resolved by relevant staff member, the company Director may be asked to assist in the resolution process.

- 3.6 A written statement documenting the outcome of the complaint, including details of the decision made, will be provided to the complainant within five (5) working days of the resolution being determined or as agreed to between both parties.
- 3.7 A written statement documenting the outcome of the complaint including the details of the reasons for the outcome will be provided to the complainant and kept on record for continuous improvement processes.
- 3.8 Aurora Training Institute seeks to prevent appeals by ensuring students are satisfied with the training and assessment process. All staff are expected to be fair, courteous and helpful in all dealing with students. Should a complaint be made, this will be treated seriously, investigated thoroughly and dealt with according to the merit of the complaint.

#### **Stage 4: Appeals and external review**

Should a complainant not agree with the complaint resolution, an appeal may be lodged:

- 4.1 If the aggrieved party is dissatisfied with the resolution, they have the right to appeal. Appeals must be made within twenty-one (21) days of receiving the complaint resolution in writing via email and addressed to Student Services on [studentservices@aurora.edu.au](mailto:studentservices@aurora.edu.au). The circumstances of any appeal are analysed by an independent senior manager of Aurora Training Institute (this person will have no previous connection or involvement with the original complaint). A written statement documenting the outcome of the appeal will be provided to the complainant within five (5) working days of receipt of the appeal.
- 4.2 Should the student continue to be dissatisfied with the outcome of a complaint and appeal they may request that matter be referred to an external dispute resolution process by a body appointed for this purpose. Students may contact/email them directly and the details for the external body are:
- 4.3 The process of external dispute resolution may have associated costs and it is recommended that complainants inquire about this liability prior to progressing to this stage. Aurora Training Institute can provide details of this cost upon inquiry.
- 4.4 Upon resolution Aurora Training Institute will take the necessary steps to implement any recommendations arising from the external dispute resolution process within ten (10) working days.

#### **Stage 5: Record keeping**

- 5.1 A full and detailed record of the complaint process, including all documentation and meeting minutes will be kept on the student file. Documented records are maintained by Aurora Training Institute for a period of no less than five (5) years.
- 5.2 Records can be accessed by the student by written request
- 5.3 All student records are confidential and private.
