

Skill set

CHCSS00070 - Assist Clients with Medication Skill Set

Flexible Class Times

Blended Delivery

\$10 – non concessional*
\$4 – concessional*

Do you require your Assist Clients with Medication skill set, to better support your clients?

This skill set is for people working in various care and support roles in the community services industry who wish to develop skills in supporting people to self-administer medication.

Course Requirements

To achieve the CHCSS00070 - Assist Clients with Medication Skill Set, you must be an Existing Worker in the Community Services and Health industry, which includes parents and unpaid carers of NDIS participants.

For this skill set two units must be completed:

- HLTAAP001 Recognise healthy body systems
- HLTHPS006 Assist clients with medication

This skill set is funded by the Queensland Government under the Higher Level Skills Program.

*Price is per person and is subject to eligibility criteria under the Higher Level Skills Program.
