VET in Schools (VETiS)

The VET in Schools (VETiS) Program is funded by the Queensland Government to give eligible students funding to complete a Certificate I or II level qualification while attending secondary school.

VET in Schools (VETiS) qualifications can be undertaken in years 10, 11 and 12, and may provide credit towards the Queensland Certificate of Education. Aurora Training Institute is a Skills Assure Supplier under this program for the delivery of this qualification.

QLD State Government VET in Schools (VETiS) Program is only available for one Certificate II qualification for each student.

As students can only access the VET in Schools (VETiS) Program subsidy once, it is important that they consider and compare their training options to ensure they align with their chosen career pathway.

Every student that completes or discontinues a VET in Schools (VETiS) Program, must complete a Student Training and Employment Survey within 3 months.

Fees

There are no student fees applicable for this course.
