Course Overview

Do you want to grow your skills and become a leader in the childcare industry?

The CHC50125 Diploma of Early Childhood Education and Care describes the work of educators who support children in approved early childhood services in Australia.

Educators at this level are responsible for designing and implementing learning programs that meet the requirements of an approved learning framework and they help keep the service compliant with required standards. They use specialised knowledge to understand and apply key ideas in different work situations. They may have responsibility for supervision of volunteers or other educators.
